This form is used solely to notify the Nebraska CIO's Office of your intent to order services or equipment. This will help to coordinate these orders, but you must also place an order with the appropriate vendor(s) following your normal ordering process. The Nebraska CIO's Office will NOT be ordering this equipment or service on your behalf.

The following entities are eligible to purchase from the State CIO contracts: school districts, private denominational, or parochial schools, educational service units, community colleges, or nonprofit public or private postsecondary educational institutions.
